

APEX KEYBOARD STAND

Model AX48BP with mic boom arm

Since its introduction 20 years ago, the Apex Column Keyboard Stand has been the signature keyboard product for Ultimate Support as well as the stand of choice for both professional and amateur musicians.

■ **Folds into a self-contained, compact unit with a heavy-duty carrying handle.**

The column stand comes with two clamps and four 13" (330 mm) tribar arms.

■ **The AX48BP model includes a mic boom and longer 18" (457 mm) tribar arms.**

Load capacity
250 lbs. total wt.

GUITAR STANDS

Genesis Guitar and Amp Stands feature a unique, patented leg-locking mechanism. When setting up the stand, unlock the legs, unfold and lock the legs in place for worry-free stability and strength.

■ Case-quality velvet pads protect guitar's finish.

■ Holds every size and shape guitar and bass.

■ Closing yoke. When placed in the stand the guitar's weight quickly closes the yoke around the guitar headstock.

■ Cradle style stand with slots for extra picks.

■ Stable A-Frame design folds to just 3.5" x 14" and is all one piece.

GUITAR AMP STAND

With the AMP-150's 3 tilt positions you can tip your amp back and face it toward you, allowing you to hear the high frequencies at much lower volume levels. In addition, your sound guy will have less vocal mic bleed.

■ stability of up to 75 lbs. Legs fold and lock, creating a one-piece, portable unit.

■ Threaded top tube for optional mic boom attachment; no need to carry an extra mic stand.
